SPEAKER REQUEST PROCESS

Many chapter/group events are enhanced enough through the presence of a notable speaker. Please consider a few things when selecting and planning for a speaker at your event.

◆ Speaker expenses – travel, room and board (possibly including spouse)
◆ All speaker expenses should be built into the chapter/group event registration cost in order to break even on the event
◆ The alumni association is happy to assist the chapter/group with promoting the speaker through an e-mail

• Determine how invitations will be mailed (through your unit or other entity?)
• Mail save the date notifications (3-4 months before event)
• Check in with program participants and offer suggestions for their remarks

FOOD AND CATERING

◆ Is there an exclusive caterer or can we bring in our own?
   ◊ Is there an extra cost to bring in your own?
   ◊ Do you have a preparation area available for an outside vendor?
   ◊ Are there food and beverage minimums?
◆ Are waiver forms required for an outside vendor?
◆ Is there alcohol permitted on the premises? (consult liability section)
   ◊ Do we need to sign an alcohol contract?
   ◊ Is alcohol supplied by a caterer, or can we bring it in ourselves?
◆ Does the caterer provide a certain percentage over the guaranteed number of guest?

EVENT EVALUATION

After your successful event, here are some follow-up questions that may help next years’ event to be even better...

PREPARATION

- Was the planning and organizing of our event completed on schedule?
- Were there an adequate number of members involved in the planning, organizing, preparation and follow-up of the event?
- How did guests learn of the event?

EVENT

- Did the event start on time?
- Did the event flow smoothly?
- Was the length of the event appropriate?
- How many attendees were there?
- Was there enough food, entertainment, etc.?
- Was the location suitable for the event?

FOLLOW-UP

- What comments/suggestions were made at the event?
- What could have been done to make it a more successful event?
- Have “Thank You” cards been sent to the appropriate people?
- How else can we recognize those who made the event a success?
- Did we contact the Alumni Association about the event’s success?
- Have the pictures of the event been developed/downloaded?

Please note: There should be a documented follow-up worksheet so that those in the chapter leadership positions in the future will be able to replicate successful aspects and not repeat those that were unsuccessful.
